

17th Annual Environment Excellence Awards 2020

Climate Change & Bio-Diversity

SUB: CALL FOR NOMINATION

Dear Award Nominee!

Greetings from NFEH Team,

The annual awards function will be primarily focused on "**Climate Change & Bio-Diversity**", their impact on our environment; especially rising emission due to burning of fossil fuels, industrial and home wastes. That's why we have added some key questions related to rising impact of greenhouse gases and human population. Thus, there is severe need to act sensibly and play our role towards Conservation and Sustainability.

The National Forum for Environment & Health (NFEH) is pleased to invite all national & international organizations operating in Pakistan since last 5-years to actively participate in 17th Annual Environment Excellence Awards (AEEA-2020) and demonstrate their efforts and contribution towards 'Safer Planet' where we all live in.

The Annual Environment Excellence Awards (AEEA) is the 'benchmark for environment standards in Pakistan' and is exclusively designed to "**Recognize | Appreciate | Promote**" the organizations that made outstanding contributions towards sustainable development, controlling all kind of emissions, wastes and pollutions, and protecting the overall environment of the country and region. Further, the AEEA aims to highlight best practices, processes, products and services from all sectors and businesses which help in achieving economic and social development without detriment to the environment and natural resources.

To nominate your esteemed organization in AEEA-2020, please find the "**Key Performance Questions**" attached here, along with other useful information. The deadline for sending your Entries for Award (complete nomination papers) alongwith application processing fee is **June 08, 2020**. You're requested to provide us updated information.

The Annual Awards Distribution Ceremony of AEEA-2020 will be held in presence of Government Officials, Corporate Dignitaries, Foreign Delegates, NGOs and Media.

For more info, please contact the NFEH Team.

Thanking you,

Ruqiya Naeem
Secretary General, NFEH
