SUB: CALL FOR NOMINATION FOR AEEA 2022

Dear Award Nominee!

Greetings from NFEH Team,

We on behalf of National Forum for Environment & Health (NFEH) are pleased to invite all national & international organizations to actively participate in 19th Annual Environment Excellence Awards (AEEA-2022).

This year the annual awards function will be focused on 'Environmental Actions' we have taken so far to save our planet and to live sustainably. Therefore, we have added some key questions related to sustainability, clean and green environment.

The Annual Environment Excellence Award (AEEA) is the 'Benchmark for Environment Standards in Pakistan' and exclusively designed to "Recognize | Appreciate | Promote" the responsible organizations that made outstanding contributions towards sustainable development, controlling all kind of emissions, wastes and pollutions and using latest and innovative methodologies to protect overall environment of the country. Further, the AEEA aims to highlight best practices, processes, products and services from all sectors and businesses which help in achieving economic and social development without detriment to the environment and natural resources.

To nominate your esteemed organization/institution for AEEA-2022, please find attached herewith the "Key Performance Questions" along with other useful information. You are requested to send your Entry for the Award (i.e. complete Nomination Papers with updated information) alongwith award application processing fee. Please carefully review the 'Check List' while submitting your application.

The Annual Awards Distribution Ceremony of AEEA-2022 will be held in the presence of Government Officials, Corporate Dignitaries, Foreign Delegates, NGOs and Media.

For more info or assistance, please feel free to contact our NFEH Team.

Thanking you,

Ruqiya Naeem

National Forum for Environment & Health (NFEH), is a purely Non-Governmental, Non-Profit and Voluntary Organization, established with an aim to facilitate, promote and help create environmental, healthcare and educational awareness among masses in general, among youths and children in particular. NFEH was formed on June 05, 1999 (the occasion of World Environment Day) by a group of like-minded and committed professionals, industrialists, academicians, environmentalists, youths and community workers, willing and committed to volunteer their efforts to maximize possible resources for conserving natural environment and resources of the country, and to offer pollution-free and healthy environment.

NFEH is affiliated with the United Nations Environmental Program (UNEP) and supported by the Ministry of Environment, Government of Sindh and Federation of Pakistan Chambers of Commerce & Industry. It is committed to serve and promote the cause of health-care and protection of natural environment by creating awareness among all segments of the society. To accomplish this goal, it has organized a number of seminars, massive tree plantation campaigns, workshops, symposia, walks, festivities and activities and arranged other such programs.

NFEH has been taking a firm stand on various environmental issues. It also participates in advocacy and attempts to generate awareness about environmental issues. NFEH also organizes events and seminars, and institutes awards for those who deploy environment friendly practices in their industries as well as work in the social sector.
