SOLAR POWER

CONCLAVE & AWARDS 2025

Building on the Success of 2024

The 1st International Solar Power Conclave & Solar Awards held in August 2024 was a resounding success, setting a new benchmark for the renewable energy sector in Pakistan. With over 300 participants, including leading industry players, policymakers, and energy experts, the event was graced by Governor Khyber Pakhtunkhwa as the Chief Guest.

More than 29 organizations and individuals were recognized for their exceptional contributions to solar energy, reflecting the event's vision of empowering Pakistan's energy future. The enthusiastic participation and groundbreaking discussions demonstrated the sector's immense potential for innovation and growth.

Building on this momentum, the 2nd International Solar Power Conclave & Solar Awards 2025 promises to be bigger, better, and even more impactful.

SOLAR POWER

CONCLAVE & AWARDS 2025

Welcome to the **PREMIER SOLAR ENERGY EVENT** of 2025

Join us as we take a giant leap toward sustainable energy solutions. Organized by Energy Update, this year's conclave continues to spotlight advancements, opportunities, and excellence in the solar energy sector.

With an expanded agenda, new award categories, and a deeper focus on emerging technologies, the 2025 event aims to catalyze Pakistan's transition toward a clean and resilient energy future.

For more information please visit our website

HIGHLIGHTS OF THE EVENT

Technical sessions on cutting-edge solar technologies, battery storage solutions, system integration, performance optimization, sustainability and recycling, regulatory compliance and incentives, and community and stakeholder engagement

Keynote Addresses by top policymakers and solar energy pioneers.

Panel Discussions tackling regulatory frameworks, financing solutions, and technological innovations

Solar Excellence Awards 2025, honoring innovation and impact across an expanded range of categories

AWARDS CATEGORIES

This year's awards program has been enhanced to celebrate achievements across more specialized areas of the solar energy ecosystem.

- 1 Solar Battery Excellence Award –** Honoring advancements in energy storage technologies enhancing reliability and scalability.
- 2 Solar Inverter Innovation Award –** Recognizing exceptional design and performance in solar inverters.
- 3 Solar Financing Leadership Award –** Celebrating innovative funding and investment models driving solar energy growth.
- 4 Solar Installer Excellence Award –** Honoring exemplary service in solar installations with a focus on quality and efficiency.
- 5 Solar Impact Award –** Recognizing solar projects that uplift and empower local communities.
- 6 Solar Education and Awareness Award –** Acknowledging initiatives promoting solar energy literacy and capacity building.
- 7 Solar Entrepreneurship Award –** Honoring entrepreneurial contributions that drive innovation and job creation.
- 8 Solar Panel Manufacturing Excellence Award –** Celebrating advancements in solar panel manufacturing.
- 9 Solar Inverter Manufacturing Excellence Award –** Celebrating advancements in solar inverters manufacturing.
- 10 Solar Battery Manufacturing Excellence Award –** Celebrating advancements in solar battery manufacturing.
- 11 Solar Cables and Accessories Manufacturing Excellence Award –** Celebrating advancements in solar cables and Accessories manufacturing.

SOLAR POWER

CONCLAVE & AWARDS 2025

- 12 Solar R&D Leadership Award –** Recognizing groundbreaking research shaping the future of solar energy.
- 13 Solar Sustainability Award –** Highlighting initiatives that prioritize environmental and social sustainability in solar energy.
- 14 SolarHybrid System Innovation Award –** Honoring innovative hybrid solar solutions that combine solar power with other renewable sources.
- 15 Solar Microgrid Project Award –** Celebrating impactful microgrid projects providing reliable energy to underserved areas.
- 16 Solar Agriculture Innovation Award –** Recognizing initiatives leveraging solar energy in agriculture to boost productivity and sustainability.
- 17 Women in Solar Leadership Award –** Honoring outstanding contributions by women driving the solar energy revolution.
- 18 Solar Start-Up Award –** Celebrating emerging companies with innovative and disruptive solar solutions.
- 19 Solar Policy Advocacy Award –** Recognizing efforts in shaping favorable policies for the solar sector.
- 20 Corporate Leadership Award –** Honoring organizations driving solar adoption within corporate sectors.
- 21 Solar Green Building Award –** Recognizing solar integration in eco-friendly building designs.
- 22 Solar Innovation in EPC Award –** Celebrating excellence in engineering, procurement, and construction of solar projects.

AWARD NOMINATION JUDGING CRITERIA:

The expert 'Panel of Jury' comprising both academic and industry professionals will assess all submissions based on a range of criteria, including innovation, sustainability, scalability, financial viability, and community impact.

The evaluation will consider both qualitative and quantitative information provided in the applications.

To maximize the evaluation process, it is crucial for Award Nominees to provide comprehensive and detailed responses to all questions in the Award Application Questionnaire Form, along with relevant supporting documents and images.

EVENT AGENDA

1. Keynote Address: "Transforming Pakistan's Energy Future: Innovations and Opportunities"

2. Panel Discussions:

- a) Policy Frameworks for Accelerated Solar Adoption.
- b) Financing Models and Investment Opportunities in Solar Energy.

3. Technical Sessions:

Advancing Solar Panel and Storage Technologies to Unlock the Potential of Solar-Powered Microgrids

4. Awards Ceremony:

Solar Excellence Awards Presentation.

5. Networking Dinner:

B2B Meetings and Collaborative Partnerships.

ABOUT ENERGY UPDATE

"Energy Update, your premier partner for bespoke event management solutions! From conceptualization to execution, our expert team delivers tailored services to ensure your events are memorable, impactful, and flawlessly executed.

Our comprehensive suite of services includes:

- Event Planning and Conceptualization, Hotel Booking and Logistics, Guest Invitations and RSVP Management, Branding and Marketing Solutions, Chief Guest Arrangements and Protocol Management, On-site Execution and Coordination

At Energy Update, we pride ourselves on attention to detail, creativity, and a passion for delivering exceptional events that exceed your expectations. Let us take care of your event needs, so you can focus on what matters most – your guests, your message, and your success!"

JOIN US IN EMPOWERING PAKISTAN'S ENERGY FUTURE
