CONTINUING A LEGACY OF IMPACT (2024–2025)

The International SolarPower Conclave & Solar Awards, organized by Energy Update, has rapidly become one of Pakistan's most influential renewable energy platforms, bringing together policymakers, industry leaders, investors, and technology innovators.

The 1st International SolarPower Conclave & Solar Awards 2024, held in Lahore, marked the beginning of this landmark initiative. The event welcomed participants from across Pakistan's energy sector, with Faisal Karim Kundi, Governor KPK attending as the Chief Guest. The conclave celebrated innovation and leadership by recognizing and professionals for their contributions to advancing solar energy in Pakistan.

Building on this momentum, the 2nd International SolarPower Conclave & Solar Awards 2025 further strengthened the platform's reputation as a premier industry gathering. The event featured high-level dialogue, technology showcases, and recognition of industry excellence. The ceremony was honored by Sardar Saleem Haider Khan, Governor Punjab as the Chief Guest, reflecting strong government support for renewable energy development.

Both events witnessed record participation, high-profile speakers, and meaningful discussions, establishing the conclave as a powerful catalyst for Pakistan's clean energy transition.

WELCOME TO THE PREMIER SOLAR ENERGY EVENT OF 2026

The 3rd International SolarPower Conclave & Solar Awards 2026 will take this legacy forward by addressing some of the most critical developments shaping Pakistan's solar energy landscape.

With the rapid expansion of rooftop solar installations, NEPRA Prosumer Regulation 2026, and the emergence of Battery Energy Storage Systems (BESS), the energy sector is entering a transformative phase.

This year's conclave will provide a strategic platform for policy dialogue, industry collaboration, and technological innovation, helping stakeholders explore solutions that ensure sustainable growth of solar power in Pakistan.

SOLAR ENERGY EVENT 2026

SOLAR INNOVATIONS
HUB

ENERGY SOLUTIONS
SHOWCASE

SOLAR ENERGY

SOLAR SYSTEMS

For more information please visit our website
www.energyupdate.com.pk

KEY FOCUS AREAS

- New Policy & Regulatory Challenges in Pakistan
- Future of Solar PV in Pakistan's Energy Mix
- Battery Energy Storage Systems (BESS) and grid stability
- Integration of Solar with Smart Grids and Microgrids
- Investment opportunities in Pakistan's renewable energy sector
- Industrial and commercial solar adoption
- Safeguarding Consumer Rights in the Energy Shift

HIGHLIGHTS OF THE EVENT

- Keynote Addresses by policymakers, regulators, and global solar industry leaders
- High Level Panel Discussions on Securing Pakistan's Energy Future via Hybrid Solutions
- Technical Sessions on solar PV innovation and battery storage technologies
- Presentation Solar Technology Excellence Awards 2026 recognizing outstanding achievements in the renewable energy sector
- Networking Dinner enabling Collaboration and B2B partnerships

For more information please visit our website
www.energyupdate.com.pk

PROPOSED EVENT AGENDA

1 KEYNOTE ADDRESS

"Pakistan's Solar Future: Policy Reforms, Net Metering & Grid Transformation"

2 PANEL DISCUSSIONS

a) Net Billing in Pakistan – Challenges, Policy Reforms & the Way Forward

b) Investment Opportunities in Solar PV and Battery Storage Systems

3 TECHNICAL SESSION

Solar PV and BESS Integration: Unlocking Reliable and Scalable Clean Energy

Discussion topics include:

- Advances in solar panel technologies Battery Energy Storage Systems (BESS) for grid balancing
- Solar-powered microgrids and decentralized energy systems

4 SOLAR TECHNOLOGY EXCELLENCE AWARDS 2026

Recognition of organizations and individuals demonstrating innovation, leadership, and impact in Pakistan's solar energy sector.

5 NETWORKING DINNER

- Industry interaction and strategic partnerships
- B2B meetings with solar manufacturers, EPC companies, investors, and policymakers

AWARD NOMINATION & JUDGING

A distinguished panel of industry experts, policymakers, and energy professionals will evaluate nominations based on:

- ▶ **Innovation in solar technologies and solutions**
- ▶ **Contribution to renewable energy adoption**
- ▶ **Market impact and project implementation**
- ▶ **Sustainability and environmental benefits**
- ▶ **Leadership in advancing Pakistan's solar industry**

SOLAR EXCELLENCE AWARDS 2026

This year's awards program has been enhanced to celebrate achievements across more specialized areas of the solar energy ecosystem.

AWARD CATEGORIES

- 1 SOLAR BATTERY EXCELLENCE AWARD**
Honoring advancements in energy storage technologies enhancing reliability and scalability.
- 2 SOLAR INVERTER INNOVATION AWARD**
Recognizing exceptional design and performance in solar inverters.
- 3 SOLAR FINANCING LEADERSHIP AWARD**
Celebrating innovative funding and investment models driving solar energy growth.
- 4 SOLAR INSTALLER EXCELLENCE AWARD**
Honoring exemplary service in solar installations with a focus on quality and efficiency.
- 5 SOLAR IMPACT AWARD**
Recognizing solar projects that uplift and empower local communities.
- 6 SOLAR EDUCATION AND AWARENESS AWARD**
Acknowledging initiatives promoting solar energy literacy and capacity building.
- 7 SOLAR ENTREPRENEURSHIP AWARD**
Honoring entrepreneurial contributions that drive innovation and job creation.
- 8 SOLAR PANEL MANUFACTURING EXCELLENCE AWARD**
Celebrating advancements in solar panel manufacturing.
- 9 SOLAR INVERTER MANUFACTURING EXCELLENCE AWARD**
Celebrating advancements in solar inverters manufacturing.
- 10 SOLAR BATTERY MANUFACTURING EXCELLENCE AWARD**
Celebrating advancements in solar battery manufacturing.
- 11 SOLAR CABLES AND ACCESSORIES**
Manufacturing Excellence Award
Celebrating advancements in solar cables and Accessories manufacturing.
- 12 SOLAR R&D LEADERSHIP AWARD**
Recognizing groundbreaking research shaping the future of solar energy.
- 13 SOLAR SUSTAINABILITY AWARD HIGHLIGHTING**
initiatives that prioritize environmental and social sustainability in solar energy.
- 14 SOLAR HYBRID SYSTEM INNOVATION AWARD**
Honoring innovative hybrid solar solutions that combine solar power with other renewable sources.
- 15 SOLAR MICROGRID PROJECT AWARD**
Celebrating impactful microgrid projects providing reliable energy to underserved areas.
- 16 SOLAR AGRICULTURE INNOVATION AWARD**
Recognizing initiatives leveraging solar energy in agriculture to boost productivity and sustainability.
- 17 WOMEN IN SOLAR LEADERSHIP AWARD**
Honoring outstanding contributions by women driving the solar energy revolution.
- 18 SOLAR START-UP AWARD**
Celebrating emerging companies with innovative and disruptive solar solutions.
- 19 SOLAR POLICY ADVOCACY AWARD**
Recognizing efforts in shaping favorable policies for the solar sector.
- 20 CORPORATE LEADERSHIP AWARD**
Honoring organizations driving solar adoption within corporate sectors.
- 21 SOLAR GREEN BUILDING AWARD**
Recognizing solar integration in eco-friendly building designs.
- 22 SOLAR INNOVATION IN EPC AWARD**
Celebrating excellence in engineering, procurement, and construction of solar projects.
- 23 SOLAR INFRASTRUCTURE AWARD**
Recognizing outstanding development and deployment of solar infrastructure supporting large-scale and sustainable energy systems.
- 24 SOLAR GOVERNMENT PROJECTS AWARD**
Honoring impactful government-led solar initiatives that promote clean energy adoption and public sector sustainability.
- 25 Solar Lifeline Award**
Celebrating solar solutions that provide reliable and affordable energy access to underserved and off-grid communities.

ENERGY UPDATE

Energy Update is Pakistan's leading energy sector publication and knowledge platform, dedicated to promoting dialogue, innovation, and collaboration across the power, renewable energy, oil & gas, and sustainability sectors.

Through conferences, publications, and strategic forums, Energy Update continues to play a vital role in shaping Pakistan's energy future.

JOIN US IN SHAPING PAKISTAN'S SOLAR FUTURE

The 3rd International SolarPower Conclave & Solar Awards 2026 will bring together the brightest minds, pioneering technologies, and visionary leaders of the renewable energy sector. Together, let us address the challenges of Net metering and billing, explore the future of Solar PV and BESS, and accelerate Pakistan's transition toward a clean, resilient, and sustainable energy system.

AWARD REGISTRATION FORM**Name of Participant(s)**

1. _____ 2. _____
3. _____ 4. _____

Company: _____

Address: _____

Telephone: _____

Participation fee: _____

Payment through online: _____

Authorised signature
& Company seal

AWARD FEES

Fee included nomination process, Logo placement on branding, an elegant trophy, certificate, 2 participants with dinner and 200-word company profile to be published in Energy Update.

Rs. 150,000 (Exclusive of all taxes.)

ACCOUNT DETAILS

Payable in advance via
Online Transfer

Account Title: Monthly Energy Update
MCB Bank Limited

1422 Mehdi Tower, Branch,
Shahra-e-Faisal, Karachi

IBAN: PK66 MUCB 1029 0940 7100 3748
